## CHILD PROTECTION RISK ASSESSMENT

All clubs must have a Club Welfare Officer (CWO) sometimes referred to as a 'Child Welfare Officer'. This person must have:

- ... been notified to the League Welfare Officer
- ... attended a First Aid Training Course
- ... attended a Child Protection Welfare Training Course
- ... attended a "Safe Hands" Training Course
- ... completed an 'Enhanced' DBS check

I have carried out a risk assessment of the posts within Low Moor Holy Trinity Cricket Club which require DBS checks. This was approved by the Club's Management Committee at the AGM on Tuesday 10<sup>th</sup> January 2017.

In accordance with ECB guidance provided to clubs, the posts at Low Moor Holy Trinity Cricket Club where a DBS check is always required are:

Club/Child Welfare Officers	<i>GAVIN DIXON</i>
All ECB approved/qualified coaches	<i>N WOOD / M JENKINS / A FORBES / G DIXON</i>
Junior Co-ordinator	<i>GARETH HARRISON</i>
Umpires (League & Club)	<i>KEN OVEREND</i>
Scorers over the age of 16	<i>N/A</i>
Junior Managers	<i>N/A</i>
Club Captains / Vice-Captains	<i>M HALEY / A FORBES / C GREEN / M MILLS</i>
Web site administrator	<i>MARTIN JENKINS</i>
First-aiders	<i>GARETH HARRISON</i>

I have considered the following posts and concluded that DBS checks are not required in these cases:

- Ground staff
- Bar staff
- Caterers
- Secretary (per ECB)
- Treasurer (Club, Bar & Subscriptions)
- Scorer (due to the fact that we have 20 different scorers during the season)

As CWO for Low Moor Holy Trinity Cricket Club, I maintain an electronic record of all members' DBS checks, their disclosure numbers and renewal dates, which enables me to ensure that the Club is compliant with the expectations from the sport's Governing Body and in line with good welfare practice. I ensure that a supply of Self-Declaration Forms are available at the club, should they be required.
